

# 10-year survival of a patient with metastatic prostate cancer: Case report and literature review

Kristian Krpina, Dean Markić, Dražen Rahelić, Juraj Ahel, Nino Rubinić, Josip Španjol

Department of Urology, Clinical Hospital Center Rijeka, Rijeka, Croatia.

**Figure 2.**

*CT of the pelvis showing enlarged lymph nodes with dislocation of the bladder to the right side.*

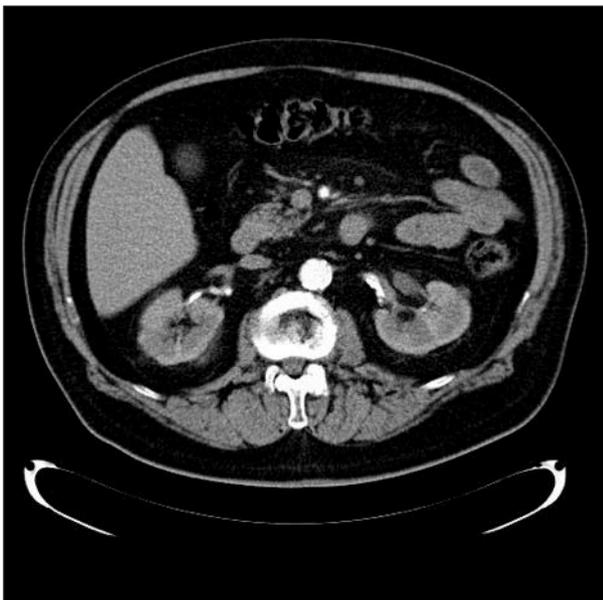

**Figure 3.**

*Cystography showing bladder dislocation to the projection of right iliac bone.*

**Figure 4.**

*CT of the abdomen with no signs of disseminated disease.*

**Figure 5.**

*CT of the pelvis with no signs of disseminated disease and orthotopic position of the bladder.*
